6.	On 21 August, the military installations in Bernau were again occupied to
•	capacity. At about 11 a.m., intensive vehicular traffic, including tank truck was observed.
	truck: was observed.
7.	At about 8 p.m. on 20 August, 9 T-34/85 tanks,
~	2 field kitchens and numerous trucks
	were entrained at the Templin railroad station. 4
8.	At about 6 a.m. on 21 August, 8 T-34 tanks.
•	had just been detrained, were
	seen near the Bad Freienwalde railroad station. Several trucks were being
	unloaded.4
9.	On 24 August, source reported that night exercises, which involved troops
,,	wearing red-bordered black epaulets had been under way in the Frankfurt/
	Oder area for a week. No tanks were observed.
ı.	Comment. The transfer involved units of the 124th Hv How Arty Brig
	(US). The train which returned from Altengrabow on 16 August
	was previously reported and the
	train on 19 August went to Alten-
	grabow
2.	Comment. The loading and unloading is rather safely believed to have
1 .	involved elements of the 7th Gds Mecz Div. The train on 15 August went to Fuerstenwalde and the trains on 21 and 8
	Fuerstenwalde and the trains on 21 and 8 August arrived from Lieberose
	Managana dataran kabul kabul kabul kabul
3.	Comment the Luftnachrichten Kaserne occupied to capacity and the former Army Clothing Depot I occupied
	by about 200 troops. No recent information is
	available on the Brieftaubenstation (homing pigeon station). Further
	information is needed to determine whether all military installations in
	Bernau were actually occupied to capacity on 21 August
4.	Comment. The loading on the evening of 20 August probably involved
	elements of the 28th Tank Bn of the 16th Gds Mecz Regt of the 6th Cds Mecz Div, the unloading in Bad Freienwalde was
	in the morning of 21 August.
l -5.	Comment. The identity of the units engaged in night practices
